

# Downloading Overdrive Adobe PDF/EPUB eBooks with Adobe Digital Editions

Overdrive offers digital books you can download to your computer to read offline and/or transfer to a compatible eBook reader (at this time Sony Reader, Barnes & Noble Nook).

## How to Download an Overdrive eBook

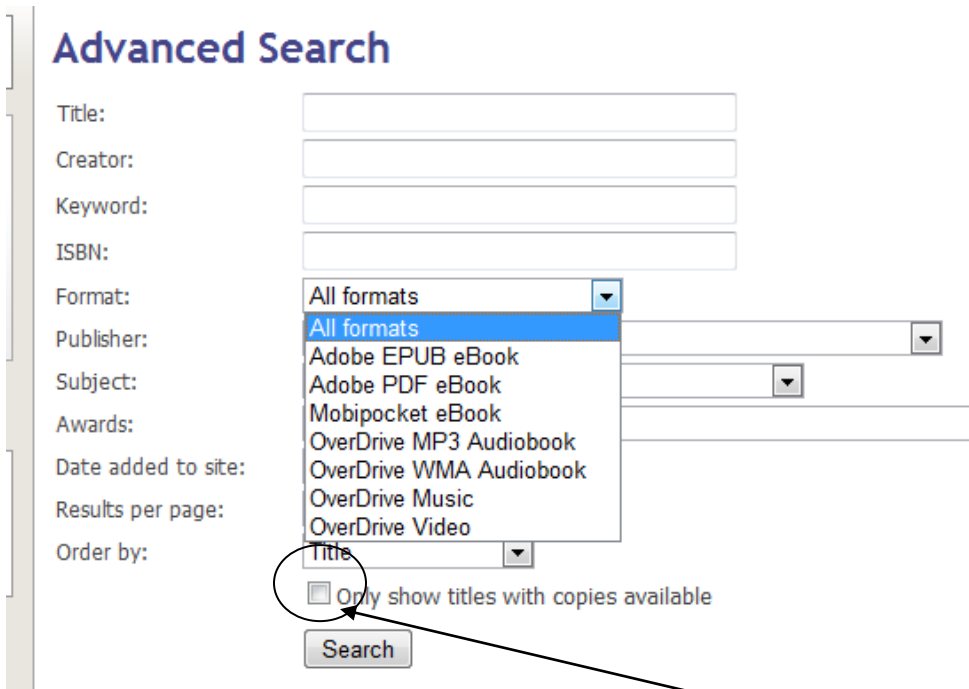

1. Download and install Adobe Digital Editions software on your computer (available at [adobe.com](http://adobe.com))
2. If you want to transfer an eBook from your computer to a portable digital reader, you'll need to create a free Adobe account. You will be prompted to do this when you first install the Adobe Digital Editions software.
3. Find eBooks to download in the catalog. To search for titles for downloading, go to the "Fiction, Movies & Music" tab on the library's website. Then click on the "downloadable" box in the upper left corner.

To limit your search to only eBooks, click on the advanced search link in the “Digital Catalog Search” box.

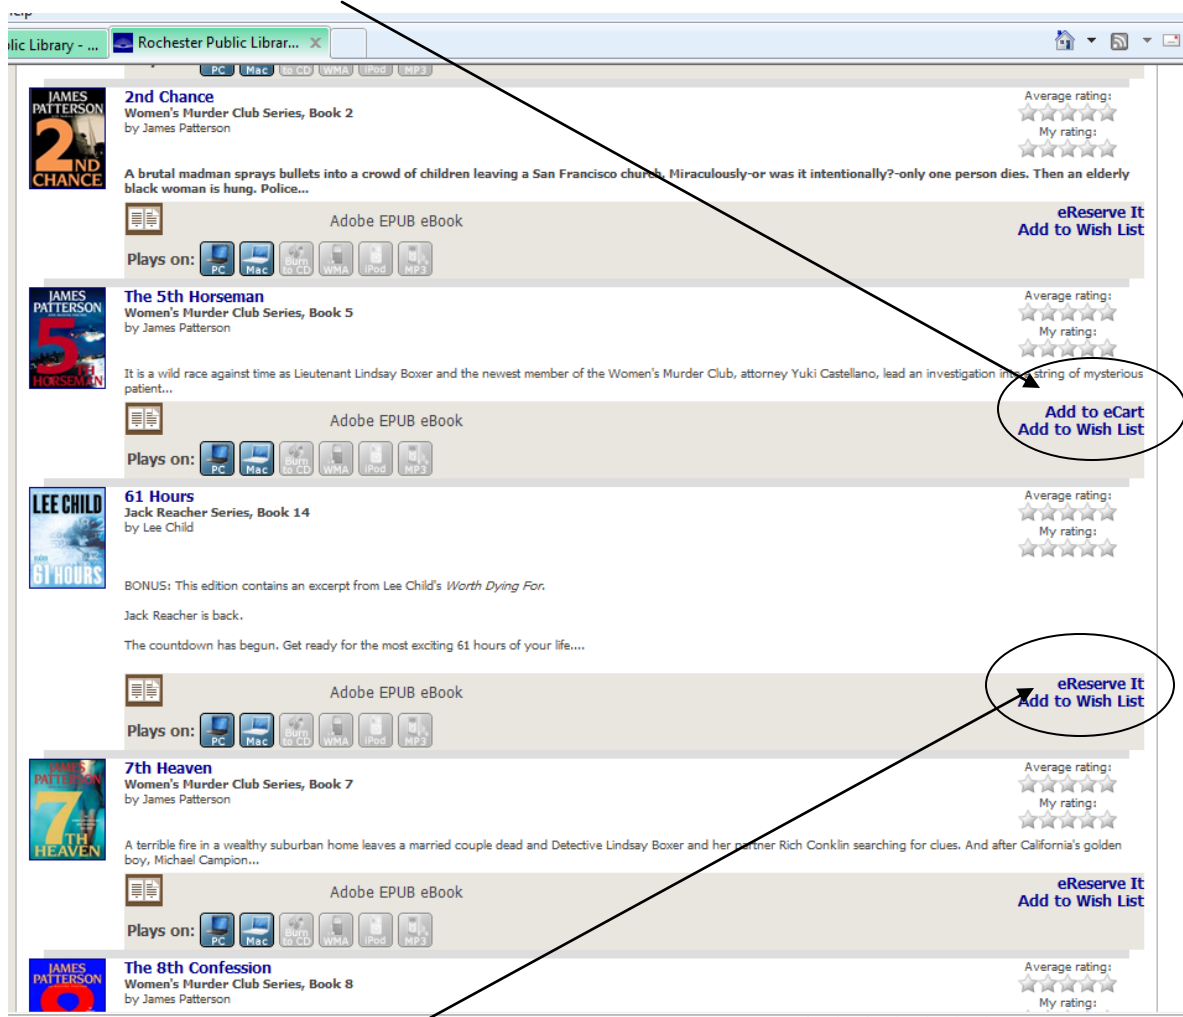

Then limit your format to either “Adobe EPUB eBook” or “Adobe PDF eBook” and enter your other search terms to find downloadable content.

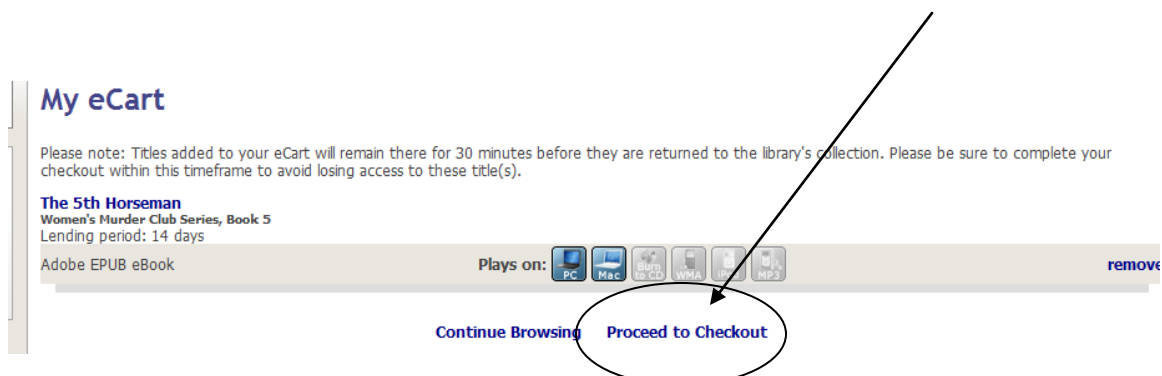

If you only want to see eBooks that are available immediately, check this box before you search.

Any book that says "Add to eCart" is available to check out and download immediately.

Any book that says "eReserve It" is currently checked out. You can reserve these books and you will be notified by email when they are ready to download.

To check out an available eBook, click on "Add to eCart". Then click on "Proceed to Checkout"

If you have not already signed in, you will be asked to enter your library card number and PIN to check out. You need to have a Rochester Public Library account in good standing to check out eBooks.

## Returning your Overdrive eBooks

You do not need to return your Overdrive eBooks – when the lending period expires, you will not have access to them anymore on your computer and/or eBook reader. There are never any overdue fines with eBooks.

However, if you would prefer to make an Overdrive eBook accessible to other library patrons before your check out time is expired, you may return it early. To return an Overdrive book early, click on the arrow in the upper left hand of the book icon, left click it and choose “Return Borrowed Item” from the option list.
